Commissioner for Patents

Applicant filed proposed drawing changes on 11/8/2002. These proposed drawings were indicated as acceptable by the examiner. Subsequently, in the non-final Office Action mailed 2/14/2004, the Office Action Summary indicated that the drawings were accepted with no indication of requiring the applicant to file formal drawings corresponding to the previous proposed drawing changes. This matter remained unresolved and the application lacked formal clean copies of the proposed drawings. The application has now been allowed and the issue fee has been paid. To correct the matter, the examiner obtained formal replacement sheets for the drawing from the applicant on 4/14/2005. These replacement sheets have been entered such that the application now has a full set of acceptable drawings.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to N. Drew Richards whose telephone number is (571) 272-1736. The examiner can normally be reached on Monday-Friday 9:00-5:00.
